Animal Control Officers Cohen and Mallette along with Ilene Segal DVM are hosting a vaccination and microchip clinic for your pets who may be due for a rabies booster. We will also be offering microchipping to give your pet a permanent identification in case of an emergency, theft concerns, proof of ownership, etc.

All Dog must be on leash and all cats must be in a secure, appropriate carrier or leash & harness trained.

If you own an unpredictable and/or aggressive animal please check in with your animal secured in your vehicle first.

Concerned about Covid? This will be an outdoor clinic for animals that do not need to be confined indoors to achieve vaccination.

**COST: Rabies: \$15 fully registered microchip: \$25.**

**Cash or Check only**

To qualify for a 3 year IMRAB 3 booster rabies you must show proof of previous vaccination history

Dog licensing options available for Millis, Medway and Norfolk.  
Each town has their own by laws; late fees may apply.
